

# Learn Tax Planning From the Best

**Arthur Auerbach, CPA**, is an independent tax consultant. A popular and knowledgeable instructor, he has managed a tax department, taught intermediate and cost accounting at Pace University, been an editor for the Tax Research Institute of America, authored several articles for trade association periodicals and appeared on television evening news programs answering various tax questions.

The VSCPA In-House CPE & Training Program is pleased to present two popular tax courses from **Art Auerbach, CPA**, a VSCPA board member and nationally recognized lecturer on a variety of tax topics for CPAs.

Earn up to **8 CPE credits** and achieve a thorough understanding of complex tax topics in these two comprehensive courses. Plus, we'll bring the courses to your office or location of your choice at the date and time that you choose.

- Tax Planning & Compliance for the High Net Worth Individual
- Financial & Tax Planning for Retirement

Art can also present *Ethics 2010 — Your License Depends On It!*, so add 2 hours of ethics to your in-house CPE to maximize the value of our visit.
