

Boost Productivity With Technology

Judy Borsher, CPA, MBA, CITP, is a Microsoft Certified Trainer and the president of SCG Training and Consulting Corporation, a technology firm providing instructor-led training, consulting and programming services. She also is a long-time presenter of technology CPE programs for the accounting community and since 1987 has delivered more than 1,700 programs with consistently high ratings. Prior to establishing SCG, Judy worked for KPMG, in industry finance positions and also with a national training company under contract with IBM.

Use technology to its fullest! In concert with the VSCPA In-House CPE & Training Program, **Judy Borsher, CPA, MBA, CITP**, has developed several popular courses to help you use technology to save time and improve accuracy at work.

Choose from **two-hour, half-day or full-day** formats, and we'll bring the courses to your office or location of your choice at the date and time that you choose. Great for a lunch 'n learn or a comprehensive day of instruction, courses include:

- Office 2007 & 2010 Update
- Excel: New Features Update for Accountants
- Advanced Excel Tips
- Excel PivotTables
- Microsoft Word Update for Accountants
- Outlook Productivity Tips
- PowerPoint Tips for Accountants
- Adobe Acrobat Professional 9 Update & Tips

Customize your CPE & training today.
