

Satisfy Ethics on Your Terms

Let the VSCPA In-House CPE & Training Program bring *Ethics 2011 — Your License Depends on It!* to you. Plus, customize the content to address specific needs in your office (we can even add 2 hours of ethics cases to satisfy the Maryland ethics requirement) and get a valuable teambuilding opportunity as well!

If you work with 10 or more CPAs who need to fulfill the ethics requirement, or you can assemble 10 people by getting together with another small firm in your area, we'll help you satisfy your annual ethics requirements at your office when it suits your schedule.

Are you considering or currently using our In-House CPE & Training Program for other CPE or training needs? Add 2 hours of ethics to your in-house CPE to maximize the value of our visit.
