

Six Ways to Get Out of Credit Card Debt

Overdue credit card bills? Collection agency calls?

Virginia CPAs offer these six tips for getting out of credit card debt.

1. Know how much you owe and to whom.

Make a list, including interest rates and minimum payments.

2. Target balances with the highest annual percentage rates.

Once you pay off a credit card, apply that money to other credit card balances.

3. Pay more than the minimum due.

4. Use a debit card to avoid interest charges.

5. Restructure your debt.

Consider switching your credit card balances to a card with lower interest.

6. Protect your credit history.

Make all loan and credit card payments on time.
