

TARGET THE *CPA* MARKET

2019 EDITORIAL CALENDAR

The official member magazine of the Virginia Society of CPAs, Disclosures focuses on timely professional content of interest to CPAs, accounting firm managers and executives, management consultants and business professionals. With a focus on Virginia-specific issues, the magazine promotes innovation and explores trends affecting today's future-forward accountants. Disclosures is published six times a year.

The magazine content is planned by the Disclosures Editorial Task Force, a group of VSCPA members and staff, which reviews current issues and trends to determine a framework for content planning for the year. The editorial calendar is subject to change and serves as a general guideline for article development. Advertisers whose products and services fit into specific niches are welcome to advertise in issues of relevance to those areas.

ADVERTORIALS

New for 2019!

The VSCPA understands that some companies may want to contribute content that is useful to Virginia CPAs. New in 2019, we now offer advertorial space. Advertisers interested in an advertorial must sign a separate advertorial contract, and the magazine does reserve the right to reject content if it does not meet the standards of the magazine. All advertorials will be clearly marked as paid content. Included in the price of the advertorial are:

- Editing and proofreading services from magazine staff to ensure the copy conforms with VSCPA editorial standards
- Design services to ensure the article fits within the magazine’s brand standards
- Space for a logo, if the advertiser wishes
- Space for an ad on the advertorial page, if the advertiser wishes (though this does cut down on the content space available for an article)

2019 Advertorial Rates

PAGES	6 TIMES	3 TIMES	1 TIME
Full page <i>Article length approximately 400–500 words</i>	\$1,615	\$1,825	\$2,035
2 full pages <i>Article length approximately 800–1,000 words</i>	\$2,480	\$2,760	\$3,070

- Prices are per ad.
- Members receive a 10% discount.
- More than 2 full pages are available; contact the VSCPA for more information.

What our *members* are saying...

“Content in Disclosures is far more useful than what I find in the Journal of Accountancy.”
