## ***Independent Auditor's Report***

Board of Directors  
VSCPA Educational Foundation, Inc.  
Glen Allen, Virginia

### ***Report on the Financial Statements***

We have audited the accompanying financial statements of VSCPA Educational Foundation, Inc., which comprise the statement of financial position as of April 30, 2016, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of VSCPA Educational Foundation, Inc., as of April 30, 2016, and the changes in net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### ***Report on Summarized Comparative Information***

We have previously audited VSCPA Educational Foundation, Inc.'s 2015 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated August 19, 2015. In our opinion, the summarized comparative information presented herein as of and for the year ended April 30, 2015, is consistent, in all material respects, with the audited financial statements from which it has been derived.

**Note 1. Nature of Organization and Summary of Significant Accounting Policies**

**Nature of organization**

VSCPA Educational Foundation, Inc. (the Foundation), is a nonstock corporation dedicated to attracting future CPAs by promoting financial and accounting education, rewarding academic excellence, and encouraging students to pursue promising careers. The Foundation supports students and educators in Virginia through undergraduate and graduate scholarships, financial literacy grants, and award/recognition programs. The Foundation is a premier resource promoting excellence in accounting education by partnering with and benefiting business, academia, the accounting profession, and society at large. The majority of the Foundation's revenue is from contributions.

A summary of the Foundation's significant accounting policies follows:

**Basis of accounting**

The financial statements are presented on the accrual basis of accounting.

**Financial statement presentation**

Under current financial accounting standards generally accepted in the United States of America, the Foundation is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. In addition, the Foundation is required to present a statement of cash flows.

Unrestricted net assets include board designated and other unrestricted funds. The unrestricted funds include revenue and expenses used currently for the general operations of the Foundation. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the donor restrictions expire in the fiscal year in which the contributions are recognized.

Temporarily restricted net assets include contributions restricted by donor designation and income earned on restricted assets is reported as increases in temporarily restricted net assets. When a restriction expires either with the passage of time or by actions of the Foundation, temporarily restricted net assets are released and reclassified to unrestricted net assets. Temporarily restricted net assets consist primarily of contributions and earnings on restricted assets which will be used for scholarships.

Permanently restricted net assets include contributions subject to donor-imposed stipulations that they be maintained permanently by the Foundation. Income from the permanently restricted net assets may be used to provide scholarships.

**Note 1. Nature of Organization and Summary of Significant Accounting Policies  
(continued)**

***Cash and cash equivalents***

The Foundation considers all cash accounts, which are not subject to withdrawal restrictions or penalties, and all highly liquid debt instruments purchased with a maturity of three months or less, to be cash equivalents. The Foundation, at times, may have cash in excess of insured limits.

***Pledges receivable***

Pledges are recognized when the donor makes a promise to give to the Foundation that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized.

***Allowance for doubtful pledges***

The allowance for doubtful pledges is based on management's evaluation of the collectability of individual pledges. Pledges are charged against the allowance when deemed to be uncollectible. Subsequent recoveries are added to the allowance. No allowance was deemed necessary at April 30, 2016 or 2015.

***Investments***

Investments in debt and equity securities with readily determinable market values are recorded at fair market value under the provisions of current financial accounting standards generally accepted in the United States of America.

***Property and equipment***

Property and equipment are recorded at cost. Depreciation is based on estimated useful service lives and is computed on the straight-line method.

***Income taxes***

The Foundation is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and is not classified as a Private Foundation. The Foundation is subject to tax on any unrelated business income that it may generate.

***Use of estimates***

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

**Note 2. Prior-Year Summarized Comparative Information**

The financial statements include certain prior-year summarized comparative information in total but not by asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Foundation's financial statements for the year ended April, 30, 2015, for which the summarized information was derived.

**Note 3. Pledges Receivable**

Pledges receivable as of April 30, 2016 and 2015, represent unconditional promises to give and have been discounted to their present value based on a rate of 1.26 and 1.35 percent, respectively. These pledges, primarily for scholarships, are expected to be collected as follows:

	2016	2015
Receivable in less than one year	\$ 4,500	\$ 8,000
Receivable in one to five years	2,500	7,000
	7,000	15,000

Administrative allocation	6,564	(6,564)	-
	\$ 10,814	\$ 43,613	\$ 54,427

The Foundation maintains investments in various money market funds, fixed income instruments, and equity instruments that are at risk to loss of principal.

**Note 5. Related-Party Transactions**

The Foundation is affiliated with The Virginia Society of Certified Public Accountants (Society), a code section 501(c)(6) entity. The Society accepted on behalf of and distributed to the Foundation contributions of \$47,943 and \$40,315 for the years ended April 30, 2016 and 2015, respectively. The Society provides personnel, facilities, and other services to the Foundation, a portion of which is recorded as an in-kind support from the Society to the Foundation. The in-kind support is measured based on the total hours dedicated to the Foundation by Society personnel. During the years ended April 30, 2016 and 2015, the Society charged the Foundation \$10,000 and \$27,550 for the cost of these services. As of April 30, 2016 and 2015, the in-kind support totaled approximately \$38,000 and \$27,000, respectively. At April 30, 2016 and 2015, the Foundation owed the VSCPA \$817 and \$4,167, respectively. Also, at April 30, 2016 and 2015, the VSCPA owed the Foundation \$3,156 and \$5,900, respectively, for contributions collected on behalf of the Foundation.

### ***Notes to Financial Statements***

***April 30, 2016***

#### ***Note 6. Endowment Funds***

The Financial Accounting Standards Board issued guidance, *Endowments of Not-for-Profit Organizations: Net Asset Classification of Funds Subject to an Enacted Version of the Uniform Prudent Management of Institutional Funds Act, and Enhanced Disclosures for All Endowment Funds*, now codified in ASC Topic 958, Subtopic 205, Section 45 (ASC 958-205-45). ASC 958-205-45 provides guidance on the net asset classification of donor-restricted endowment funds for a nonprofit organization that is subject to an enacted version of the Uniform Prudent Management of Institutional Funds Act of 2006 (UPMIFA). ASC 958-205-45 also requires additional disclosures about an organization's endowment funds (both donor-restricted endowment funds and board-designated endowment funds) whether or not the organization is subject to UPMIFA.

#### ***Interpretation of relevant law***

The Foundation has interpreted the Commonwealth of Virginia Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Foundation classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Foundation in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Foundation, and (7) the Foundation's investment policies.

#### ***Investment return objectives, risk parameters, and strategies***

The Foundation has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment funds, while also maintaining the purchasing power of those endowment assets over the long-term. Accordingly, the investment process seeks to achieve an after-cost total real rate of return, including investment income as well as capital appreciation, which exceeds the annual distribution with acceptable levels of risk. Endowment assets are invested in a diversified asset mix, which includes equity and fixed securities that are

**VSCPA Educational Foundation, Inc.**

**Notes to Financial Statements**

**April 30, 2016**

---

**Note 6. Endowment Funds (continued)**

intended to result in a consistent inflation-protected rate of return. Investment risk is measured in terms of the total endowment fund; investment assets and allocation between asset classes and strategies are managed to not expose the fund to unacceptable levels of risk.

*Spending policy*

Annual scholarship amounts are stipulated in the Endowment Gift Agreements and shall be paid from a fund's total return, net of reasonable administrative fees and expenses. If a fund's accumulated total return is insufficient in any year to pay the award stipulated in the gift agreements, then the donor or the Foundation may contribute additional funds to award the scholarship.

*Funds with deficiencies*

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Foundation to retain as a fund of perpetual duration. There were no such deficiencies as of April 30, 2016 or April 30, 2015.

Endowment Net Asset Composition by Type of Fund as of April 30, 2016 and 2015, are as follows:

	April 30, 2016

**Note 7. Fair Value Measurements**

Financial accounting standards for fair value measurement define fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. Current financial accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under current financial accounting standards are described below:

**Level 1.** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Foundation has the ability to access.

***VSCPA Educational Foundation, Inc.***

***Notes to Financial Statements***

***April 30, 2016***

---

***Note 7. Fair Value Measurements (continued)***

***Level 2.*** Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

***Level 3.*** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at April 30, 2016 and 2015.

***Investments in marketable equity and fixed securities***

Valued at the net asset value of shares held at year-end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Foundation believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**April 30, 2016**

---

**Note 7. Fair Value Measurements (continued)**

**Note 9. Permanently Restricted Net Assets**

As stated in Note 1, permanently restricted net assets consist of contributions received from donors who have specified that the contributions be maintained permanently by the Foundation. Income from the permanently restricted net assets may be used to provide scholarships, and these earnings are included with temporarily restricted net assets. Permanently restricted net assets at April 30, 2016, were as follows:

Thomas M. Berry, Jr. Annual Scholarship	<u>\$ 115,470</u>
-----------------------------------------	-------------------

**Note 10. Accounting for Uncertain Tax Positions**

The Financial Accounting Standards Board issued guidance on accounting for uncertainty in income taxes. Management evaluated the Foundation's tax positions and concluded that the Foundation had taken no uncertain tax positions that require adjustment to the financial statements to comply with the provisions of this guidance. With few exceptions, the Foundation is no longer subject to income tax examinations by the taxing authorities for years ending before April 30, 2013.

The Foundation includes penalties and interest assessed by income taxing authorities in administrative and general expenses. The Foundation did not have penalties and interest assessed by taxing authorities during the years ended April 30, 2016 and 2015.

**Note 11. Subsequent Events**

Management has evaluated subsequent events through August 19, 2016, the date which the financial statements were available for issue.
